## Lecture on “Research Methodology for PG research projects” By Dr. Sachin D. Yeole

### Benefits

- to allow students to demonstrate their ability to apply the principles of research at a postgraduate level
- Students will learn to read and interpret other research critically by doing your own.
- *This gives you an insight into the effects of research and theoretical debates on published research*
- Develop and apply the advice you have received by doing regular degree courses.
- Submit a paper for peer-reviewed publication. (If successful, this will give a boost to your c.v.)
